Building Relationships

- Monthly meetings allow our group to build relationships and forge friendships with one another
- During our trip, we take opportunities to spend time together in faith building activities as well as fun outings, like going for ice cream together
- Working hard alongside your peers gives you a special opportunity to bond that youth don't often get

Where Do We Go?

We will serve with an organization called Big Creek Missions. We will stay in a Big Creek Missions facility in ***Eastern Kentucky*** (Leslie or Floyd Counties) and work on the homes of people who live in that community. By living in the very community that we are serving we can make lasting relationships with the people we have been called to serve.
